

Angelas Dish, My Screaming Heart

Cut me up and pour me out
Mould me from the inside out
You always know just where it hurts
The dollar bill has so much worth...
But not to me
Well pick me up before this pulls me down
Don't ever let me go i need you
And wake me up cause i can't hear a sound
But my heart is screaming for you
Bleed for me just one more time
I promise i'll do it better next time
How could i treat you like a dog?
I'm so ashamed for all i've done
Well pick me up before this pulls me down
Don't ever let me go i need you
And wake me up cause i can't hear a sound
But my heart is screaming for you
And the silence...
It breaks me tonight
Yeah the silence...
It breaks me tonight
Well pick me up before this pulls me down
Don't ever let me go i need you
And wake me up cause i can't hear a sound
But my heart is screaming for you
Well pick me up
Pick me up
Yeah pick me up
Pick me up
Pick me up i need you
And wake me up
Yeah wake me up
Yeah wake me up
Yeah wake me up
Wake me up
I need you
I need you
I need you
