

Angelo Kelly, I'm coming home

Hush little darling don't you cry
My little darling don't you cry
Everything's gonna be alright
'Cause I'm coming home, home tonight
I see you in the kitchen, I see you in the garden
I see you working, see you laughing
I see you with our children and they are sleeping tight
'Cause I'm coming home, home tonight
I'm coming home, home tonight
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, eah, yeah, yeah, eah
I've been on the road for so long
I've been on the road far too long
If you go to bed, leave on the light
'Cause I'm coming home, home tonight
I'm coming home, home tonight
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, eah, yeah, yeah, eah
Oh eah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah
Yeah, eah, yeah, yeah, eah
