

Angelo Kelly, If You Love Me

I remember the night,
I fell down on my knees and prayed
I will not forget your eyes,
I will not forget your smile
you struck me like a thunder
and left me without a chance
If you love me tonight
come on and say it
If you love me tonight
come on and show it
If you love me tonight
come on and say it
If you love me tonight
come on and show it
We were the best of friends
but all along I just wanted more
cause everytime when I see you
Im endlessly in love for sure
this game is taken to long
tell me if Im right or Im wrong
If you love...
