

# Angelo Kelly, Love Is All

Mother you had gave your life to save your baby  
I never got to know you but deeds do the work  
Far more than words you were selfless and good  
I thank you for your love  
Dear friend I wouldn't be quite myself without you  
Nor would I be able to trust my own thoughts  
Hear my inner voice you untied all my knots  
I thank you for your love  
Dai dai dai dai dai dai dai  
Love is patient, love is kind  
Dai dai dai dai dai dai dai  
Love is fragile, love is all  
Loved one we must not be careless with our treasures  
We need to gather wood for this fire of ours  
Keep away the draft have patience and share  
Unconditional love  
Yahweh how much I long to be near you  
Hold me like a child and please never let go  
Keep me in your arms purify my soul  
Through your endless love  
Dai dai dai dai dai dai dai  
Love is patient, love is kind  
Dai dai dai dai dai dai dai  
Love is fragile, love is all  
Dai dai dai dai dai dai dai  
Love is patient, love is kind  
Dai dai dai dai dai dai dai  
Love is fragile, love is all
