

# Angels, Bleeding With The Times

(R. Brewster-Miller)

I'm watching you  
from my window  
my private video  
I'm taking you with me  
I'm gonna reach you  
I'm gonna teach you  
how to be good to me  
Stop being a bitch  
you're losing your grip  
it's gonna make you a hard woman  
Witch's in the kitchen's  
killing you  
and you were so good looking  
I'll follow you  
with my glass eye  
your own devoted spy  
don't change the focus  
don't kill the spotlight  
I'm watching you  
`til I'm satisfied  
Stop being a bitch  
you're losing your grip  
it's gonna make you a hard woman  
Witch's in the kitchen's  
killing you  
and you were so good looking
