

# Angels, Where Do You Run

(Brewster-Neeson-Amanda Brewster)

Howling wind, let it blow  
easy come, easy go  
When the time comes  
you'll be the first to know  
Late at night, dressed to kill  
how could I hold you still  
When the time comes  
you'll be the first to know  
When the time comes  
you'll be the first to know  
Hold me lover, take me down  
come on over my side of town  
When the time comes  
When the time comes  
you'll be the first to know  
When the time comes...
