

# Angelzoom, Back in the Moment

I stare into space  
I'm in your mind now  
I did grieve you somehow  
I stare into you  
Will you bear more pain?  
I know your thoughts  
Drive me insane  
I close my eyes  
Alone in my room  
There is no silence in my head  
I try to see the truth  
The way I loose  
We're on the way  
Back in the moment now  
"Ich seh' in deinem Herz  
Deine Gedanken  
Ein Blick in deine Welt  
Ich fhl' deinen Schmerz  
Die Zeit ist verloren  
Der Augenblick  
der unsere Traume erhalt"
