

Angerfist, Stainless Steel

Born brainless, this steel ain't stainless
Your bloodstains are all over this steel goddang it
Strapped with a grenade
In the pool with your mama
Attack her by the legs then I pull her to the bottom
I'll reach in your mouth and pull your fuckin' skeleton out
The saga continues, with the worlds most dangerous group
Four deep in the coup
Strapped with a grenade
In the pool with your mama
Attack her by the legs then I pull her to the bottom
I'll reach in your mouth and pull your fuckin' skeleton out
Strapped with a grenade
Born brainless, this steel ain't stainless
Your bloodstains are all over this steel goddang it
