

# Angerfist, The fast lane

I got a mad mans kind a frustration  
just another product of the anger in the nation.  
listen on please listen every day I learn a lesson  
stil breathing  
god thats my blessing so one for the trouble never losing kind  
lets get it on let me blow ur mind!!!!  
aint it strange how things change  
when they take u from the ground  
and put u in the fast lane  
but I never knew a shinny happy home  
so I be just fine going to my terrordomes  
I got a mad mans kind a frustration  
just another product of the anger in the nation.  
1 for the trouble 2 for hard times.  
people get ready sun for the shiny times  
listen on please listen every day I learn a lesson  
stil breathing  
god thats my blessing so 1 for the trouble never losing kind  
lets get it on  
let me blow ur mind
