

Angerfist, The world will shiver

In 10 years Masters of Hardcore survived all those against hardcore
In 10 years Masters of Hardcore became known as the leading hardcore name in the world
10 years of true dedication to hardcore will be celebrated as never seen before
The names of the future are stamping of impatience
The earth will shake, the world will shiver
As the hardest motherfuckers on the planet..
Angerfist...
In the darkness...
Deep in the underground
Hidden in total darkness
Far beyond the normal world..
Masters of hardcore...
Deep in the underground, Masters of Hardcore
The names of the future are stamping of impatience
The earth will shake
The world will shiver
The names of the future are stamping of impatience
In the darkness..
