

Angerfist, Übermensch

I shot him, get him, take him, after him!

Come out and fight

All your hat

Feel that heart

Sniper!

Feel that heart

Come out here, I dare you!

Feel that heart

Take that!

Feel that heart

Come out and fight

Here we go now, though though, beat the rock

Now let's ready now, go away ya

Don't don't stop me now, if you don't know what to do and don't know how?

Here we go now

Here we go now, though though tough, beat the rock

Now let's ready now, if you don't know what to do we gonna show you how!

If you don't know what to do we gonna show you how!

Asshole!

Shut the fuck up, you're freaking me!
