

Anggun, Broken Dream

We promised that we'd share our lives
And nothing could tear us apart
But I feel that something has gone wrong

I must try to find a way
To tell you what I want to say
That I feel that something has gone wrong

I don't feel the flame again
I don't want to have to pretend
That I'm still in love with you

See me
Free me
Let me go

I will not promise you
The things that I can't do
When I can't afford to live in love that's through

Forgive me I have sinned
I've made a broken dream
And this has to end
I hope you understand

I don't feel the flame again
I don't want to have to pretend
That I'm still in love with you

See me
Free me
Let me go

We promised that we'd share our lives
And nothing could tear us apart
But I feel that something has gone wrong...
