

# Anggun, Go

Go away broken heart there's no more space for your anger, no longer  
Go away endless tears I've no patience for your sadness, I could care less  
Go away far from here take all your belongings  
Run as fast as you can, you won't see me crying&lt;br&gt;  
Go away loneliness please stop yelling my name out loud, you're not allowed  
Go away wasted dreams you're never welcomed in my head, my mind's set  
Go away far from here can't stand you beside me&lt;br&gt;  
Run as fast as you can and don't look back at me  
After all those times, breathing for him  
After all those lies, coming from him  
After all those nights, unbelieving  
After all those why's, why didn't I see  
He's not meant for me&lt;br&gt;  
Go away desperation now's the time to leave me alone, on my own  
Go away all regrets I never want to see you again, it's your end  
Go away far from here and back to where you come from  
Run as fast as you can away from my home&lt;br&gt;  
After all those times, breathing for him  
After all those lies, coming from him  
After all those nights, unbelieving  
After all those why's, why did I fall&lt;br&gt;  
Why couldn't I know ?  
Why didn't I see ?  
Why o why did I love him ?&lt;br&gt;  
After all those times, now I feel better  
After all those lies, I've no more anger  
After all those nights, I've stopped to wonder  
After all those why's, I've learnt to let you go
