

# Angie Aparo, Cry

If I had just one tear running down your cheek  
Maybe I could cope, maybe I'd get some sleep  
If I had just one moment at your expense  
Maybe all my misery would be well spent  
Could you cry a little, lie just a little  
Pretend that you're feeling a little more pain  
I gave now I'm wanting something in return  
So cry just a little for me  
If your love could be caged, honey, I would hold the key  
And conceal it underneath that pile of lies you handed me  
And you'd hunt and those lies, they'd be all you'd ever find  
And that'd be all you'd have to know for me to be fine  
And you'd cry a little, you'd die just a little  
And baby, I would feel just a little less pain  
I gave now from wanting something in return  
So cry just a little for me  
Give it up, baby, a whimper would be fine  
Some kind of clue that you're doing time  
Some kind of heartache, honey give it a try  
I don't want pity, I just want what is mine
