

Angie Aparo, Cry

If I had just one tear running down your cheek
Maybe I could cope, maybe I'd get some sleep
If I had just one moment at your expense
Maybe all my misery would be well spent
Could you cry a little, lie just a little
Pretend that you're feeling a little more pain
I gave now I'm wanting something in return
So cry just a little for me
If your love could be caged, honey, I would hold the key
And conceal it underneath that pile of lies you handed me
And you'd hunt and those lies, they'd be all you'd ever find
And that'd be all you'd have to know for me to be fine
And you'd cry a little, you'd die just a little
And baby, I would feel just a little less pain
I gave now from wanting something in return
So cry just a little for me
Give it up, baby, a whimper would be fine
Some kind of clue that you're doing time
Some kind of heartache, honey give it a try
I don't want pity, I just want what is mine
