[Angie]

yo every time i turn around they say

on how to freak shit ...
but here's a little secret...uh uh
we still number one
blazin hip hop and r&b quick
cuz its simple and plain
how can u sit and complain quick
when we payed the way for u to
get in the game chicks
nigga's wuteva...its
only the real that they recognize by the real
and since u dont recognize
u know the deal
How i feel? I dont
no emotionz get showed
if anything i feel violated being
that we been cloned
reporterz quit, i dont get caught up in the mix
10 years deep, i wuz brought up in this shit
OG , big truck series, the carz is gone

My reputation and my name is superb
now add that with animal house
and a flow thats like rain down a curb
Cuz I , write a verse and I change a few
words , edit and perfected it ..
and and...
Im still on the air
about the dough
be clear , u gotta go
each year we lock and load
beware im outta control
animal mode will let u know not to hand me no goal
everything i write hot like mah hand on a stove
the ----- know bullshit dont effect me
like a die hard knicks fan
so na mas if's and's
I could show u how power shit get ran
and I cant get budged
cuz when ur best friend is the jury
bottom line is u cant get judged and
that last line when ova ya head so
u'll prolly neva know til ur dead eitha way

a primitive mind is all i
all i eva had
and u will neva break me
til the day i die
