They call me "Digalo" Angie

Rippin' the arenas in Miami

Slippers in the sand beach, c'mon dance with me

Or the chulos in white tees (yea)

You ain't peeped the Billboard on Jimmy's

Then I guess you cannot see

You wanna party wit me, da-to

Only big dogs invited, no gatos

Quite though, what's with all the questions, whoa

Why you asking? I'm all in wit my friends embarrassing

Be easy, you wanna get up close and personal?

Cop the CD, if not leave me

I'm bout to bag somethin', why you blocking?

Cause your man in Timbs is home watchin'?

I'm a pro, mangu on the stove

Chancletas and a robe, my crew at the show

Big Pun in my heart, esperate how it go? it go

[Men chanting]

[Chorus: N.O.R.E. (2x)]

It go esperate, hold on, legs so strong

And tell them chicks that they can all come around too

Now everybody sing my part with me, c'mon

[Chorus]

[Verse: Angie Martinez]
