

Angie Stone, Green Grass Vapors

[Intro]

Now see you being cool too fast
I didn't say light that up that quick, shit
Vapors, here ya go, uh

[1] - Green Grass vapors running through my head
I'm feeling higher than the Thunder Dome

Green grass vapors

Green grass vapors

Green grass vapors, come on

[2] - Creepin' on me late at night, hey

Sets me free just to hold it tight, yeah

Slender feel, I do love it so, oh

Shapes the way that my rhythm flows

[Repeat 1]

Bloody red is what my daddy said

When he looked at my eyes at night, yeah

What we gon' do, you said go

Cuz your eyes are as red as mine

Told my daddy, hey

[Repeat 1]

[Repeat 1]

[Repeat 2]

[Repeat 1 until fade]
