

Angie Stone, Pop Pop

Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
We're chillin' again I wanna be more than a friend
~Cause you're takin' me to places I never been before
Feelin' like I'm yearning for a little more
And I wanna begin to build with you, let it do what it do
~Cause we been talkin' and kissin' and touchin' like every night
If that's wrong I don't wanna be right
Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
Look what you done, makin' me run straight to your arms
Boy you know you only get the best from me
Flowin' like a book full of poetry
I'm thankin' your mother for makin' ya brother
Tell her I love her
Baby you know you're everything that I need
You're the missing link to me
Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
Mind, heart and soul all belongs to you
There's nothing in this world I wouldn't do
It gets no better than this ~cause
Your kiss is somethin' I just don't wanna miss
It gets no better than this ~cause
Your kiss is somethin' I just don't wanna miss
Boy you know we gon' do this
Yes, we gon' do this
Boy you know we gon' do this
Yes, we gon' do this
Boy you know we gon' do this
Yes, we gon' do this
Boy you know you gon' do this
Yes, we gon' do this
Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
Pop pop pop that bottle top, let your body rock
~Cause the beat don't stop stop stop
