

# Angie Stone, Remy Red

(Hook)

Sippin' on Remy Red,  
(Remy Red)  
Believe what ya said.  
As I recall you were ready (and)  
Down for whatever with me.  
::repeat::

(Verse 1)

There you are, Superstar.  
The flyest guy at the bar.  
I had to get to know ya.  
Had just 1 shot to show you  
Where to glance. Suddenly  
We made eye contact, then we  
Made our way across the room  
Meeting up never too soon. (You said)

(Chorus)

?Can I buy you a drink girl  
(Yes you can)  
?I'm single, do you have a man?  
I got 2 left feet, would u like to dance  
Said it aint that deep, I'll take a chance.

(Hook)

(Verse 2)

Took a walk to the back  
Cuz the joint was getting packed.  
Found a spot I could kiss you,  
And romantically embrace you.  
Tryin' hard to be cool  
Cuz I'm really feelin you.  
Slow down, take your time.  
Cuz this thing is still brand new. (Uh- Oh)  
(You said)

(Chorus/Hook)

(Bridge)

Now that we know eachother a little better  
I think this thing we got can go a little further.  
I can forsee a possibility  
Of you and me (Oh yeah yeah)
