

# Ani DiFranco, Used To You

I'm still here because  
I've got nothing else to do  
you're an asshole  
but I'm getting used to you  
I like the fact that  
you talk incessantly  
I got a thing for assholes  
who tell good stories  
I think that drinking  
is the only thing that you do right  
you're gonna self-destruct  
I think that's what I like  
you like me so you try and make me  
feel like shit  
I think it's kind of funny yeah  
I kind of enjoy it  
if you're gonna do it, overdo it  
that's how you know you're alive  
go ahead, take yourself a coma nap  
take a puddle dive  
you said, this is my bedroom window  
you said, this is my view  
you said, lie down here with me  
and see the things that I do  
like you were trying to tell me something  
about the way you live  
like you would give me something  
if you had something to give  
and for all your talk  
you don't say much that's real  
I think I know more than you  
about the way that you feel  
I understand your anger  
and your apathy  
I think if I was you,  
you're who I'd be  
I'm still here  
'cause I got nothing else to do  
you're an asshole but  
I'm getting used to you  
I could love you, yeah  
I've entertained the thought  
but I could never like you  
so I guess I'd better not
