

Ania Dąbrowska, Silent Sigh

Come see what we all talk about
People moving to the moon
Stop baby don't go stop here
Never stop living here
Till it eats the heart from your soul
Keeps down the sound of your
Silent sigh
Silent sigh, silent sigh silent sigh
Keeps down all move me down
Could we love eachother

Come see what we all talk about
People moving to the moon
Stop baby don't go stop here
Never stop living here
Till it eats the heart from your soul
Keeps down the sound of your
Silent sigh
Silent sigh, silent sigh silent sigh
Keeps down all move me down
But don't love eachother
No don't love eachother
Never gonna be the same
