

Ania J, Trillionaire

If I were a trillionaire i'd be rocking the World my way, my way

I want to be a trillionaire /5x
I want it

If I were a trillionaire baby we'd be dining on my yacht eating caviar tonight
Maybe cruising down
Sunset boulevard after dinner rocking FashionTV parties all night
Paris, Lindsey, Kim, Snoop Dogg, Kendrick Lamar - I'd be on the FashionTV's list with them all
Bathing in FashionTV's vodka and champagne
If I were a trillionaire
If I were a trillionaire

If I were a trillionaire I'd be rockin' everywhere
Starting up with St. Tropez, Monte Carlo, Porto Cervo
Drivin' down in my Bugatti, Porsche, Ferrari, Maserati
In my private jet we'd have a party

I want to be a trillionaire /5x
I want it

If I were a trillionaire I'd be shining all so bright
I'd be ready made a ride
Rocking my whole diamond, and my royal French food
My Canary would be singing: "I love you!"
Every night in a different dress
I'd be wearing ___ Dolce & Gabbana, Philip Plein, Loubouin
Looking like a Madonna the Queen at her best 20,40, 50 kiss
On my neck, fingers and ears
Golden, ___ and pearls to chew with my doggie
He'd be hanging with A\$AP and Snoop Doggy Doggy
I'd be heaving Brad Pitt and DiCaprio and George Cloony starring in my own private movie

If I were a trillionaire I'd be rockin' the Woeld my way, my way
If I were a trillionaire I'd be rockin' the Woeld my way, my way

I want to be a trillionaire /5x
