

Animal Collective, Did You See The Words

Have you seen them, The words cut open
Your poor intestines cant deny when the inky periods drip from your mailbox and blood flies dip and
theres somthing living in these lines
And when your newest kisser is peeking. You dress yourself up tonight get all tangled up in arms a
And in a house so cozy few words are spoken lets take our shoes off and unwind when theres min
Dont keep my loving on my mind.
Because its messy yes this mess is mine
though mine is messy yours is maybe nine
look weve had similar stiches. Look we have similar frowns. Do the elderly couples still kiss and hu
Did you see the words you know, give me rabbies bring you babbies at the hospital
Violent ends with friends that go. I kissed a few in sticky shoes our cartoon show is broken.
