

# Animal Collective, No More Runnin

No more runnin'  
says my mom(?)  
all this movement has just proved your kisses are too far  
not much harmony from what i see  
friends i once had turn their thoughts away from me  
no more runnin'  
i have got to breathe  
on back porches with the torch of a firefly lit tree  
it's what i hope for  
it's what i hope for  
no more runnin'  
no more runnin'  
cuz you are (???) in my tea  
please don't lose your faith in me  
cause you are (???) in my tea  
please don't lose your faith in me  
no more runnin'  
says my mom(?)  
all this movement has just proved your kisses are  
too far  
it's what i hope for  
it's what i hope for  
no more runnin'  
no more runnin'  
no more runnin'  
no more runnin'
