Chapter 8

I Just Wanna Be Your Girl

If I find a way to love you

Can I contemplate

Can I come today inside your lovin'

I know sometime in our lives

We both will fly high

Into paradise uh huh

Cause it's so very nice

For lovers

And that's why

I just wanna be your

I just want to be your girl

I just wanna be your

Why won't you just let me be your girl

I just wanna be your

I just need to be your girl

I just wanna be your

No matter how long it takes

I've got time, baby I'll wait

To be your's that would make me so happy

I love the life you live

And you will give

And I'll be there recieving

And my heart is gonna start believing

Believing in me

You know I love you so much

Beyond compare

Oh, you know my love is there

Just for you

No one, no one else, cause

I just wanna be your

Why won't you just let me be your girl

I just wanna be your

Please let me be your girl

I just wanna be your

Why won't you just let me be your girl

I just wanna be your

No matter how long it takes

I've got time, baby I'll wait

To be your's that would make me so happy

Can't you see

You're the one for me

Cause no other guy will do

I've made plans for me and you

Forever

Forever

Oh

I just wanna be your

Why won't you just let me be your girl

I just wanna be your

I need to be happy baby

I just wanna be your

Won't you let me,

won't you let me be your girl

I just wanna be your

Your, your, your girl

I just wanna be your

oh, oh I just got..
I just gotta be your
I just gotta be your, your girl, your girl
Oh, all times baby
I just gotta be, I just gotta be,

Ain't nothing else in this world
I'd rather do than be with you...
