When I think about how much I'm loving you No limitations, no set of regimented rules I'm amazed how much this love has touched my life And the commitment that we share is a welcome sacrifice

This must be, sweet fatal attraction My life-long date with destiny Love this strong, it just brings out the passion I never knew was here in me

I love you just because I love you just because Just because I do, my darlin'

Emotions more than words can help me say I love you, baby, just because you're you Just because you're you

You're a diamond in my mind. a treasure found A precious gem to me. you're so nice to have around I'm so glad I took the path that led to this And it's amazin' loving you, I'm doin' things I never thought I'd do

I don't know, there ain't no explanation Of why I'm sharin' love at last this way I won't try to work out all my reasons I'll use these words to simply say

I love you just because I love you just because Just because I do, my darlin' Emotions more than words can help me say I love you, baby, just because you're you

I love you just because I love you just because Just because I do, my darlin' Emotions more than words can help me say I love you, baby.

Could it be that there's more to this than meets the eye Maybe that's the reason why All I know is when I'm in your arms it feels all right I'll hold you tight and I come alive

I love you just because I love you just because Just because I do, my darlin' Emotions more than words can help me say I love you, baby, just because you're you
