

# Anita Baker, More Than You Know

Where did you go  
I've been looking for you  
Where did you go

I'm pacing the floor  
When you're gone from me  
I'm pacing this floor

Baby, I stand by you so close  
Caution is not my approach  
My heart I expose, ooh  
More than you know

Wasting my time  
Everybody says I'm  
Wasting my time

I must reply  
That the time I waste  
Is certainly mine

Darlin' I stand by you so close  
Caution is not my approach  
My heart I expose, mmmmm  
More than you know

Darlin' I stand by you close  
Caution is not my approach  
My heart I expose

More than you know  
More than you know  
More than you know  
More than you know

Ad lib
