

Anita Baker, Priceless

When you ask me how I feel about you
I tried to find the word that best describes you
You are to me like a precious jewel, so valuable baby
You shine so bright, lighting up my life with pure delight

You are so priceless to me
And loving you has made me see
With your love, I can do most anything

I envision you and me in love together
Coming closer as we share each day together

Give me all the gold in the world
It will not replace this love, baby
You are so priceless to me
You're like the first rainbow in spring
Your love comforts my heart with joy you bring

Take a diamond ring worth a lot
What we got cannot be bought or sold

You are so priceless to me
And loving you has made me see
With your love, I can do most anything
Yes sir
You are so priceless to me
You're like the first rainbow in spring
Your love comforts my heart with joy you bring

Never had a lover, babe
My baby, my baby, my darlin'

You are so priceless to me
And loving you has made me see
With you love, I can do most anything
