

Anita Baker, Squeeze Me

Chorus:

Come on and squeeze me
Baby won't you tease me
Come on and squeeze me
I like it when you tease me

Like the way you shake your thang
Like the way you move
Love the you so casually slide into the groove
You know you take me so high boy
I don't want to come down
You don't have to be shy baby
As long as I'm around

Ooh you love me so good
I could never love another
And I wish you would
Not be so undercover

(Chorus 2x)

Whenever I get lonley I start thinking about you
Ooh sweet baby you're ther only one can do
the things you do
You tickle my fascination
I get all caught up around you
Such a thrilling sensation
When you get into my groove

Hold me
Tell me I'm your one and only baby
Oooh make it good tonight
I'm gonna make it feel so nice
Oooh your love is so good
I can never love another
And I wish you would
Not be so undercover

(Chorus 4x)
