

# Anita Baker, Talk To Me

Ooo-ooo-yes sir  
Baby, baby, baby, baby

You stand all alone, on your own  
Please come inside from that storm  
Stand where it's warm  
I can see you're in need, baby, please talk to me now

Swear nothing is wrong, you're so strong  
Baby, don't hold this inside, relax your pride  
Let it go, set it free, my baby, talk to me now

What's wrong, wrong with you  
Why don't you tell me what cha goin'  
through, darlin'  
What's wrong, wrong with you  
Why don't you tell me  
I can help you if you let me baby, yes I can

I understand, here's my hand  
Why stand alone in the dark, open up your heart  
Let this go, set it free, now my baby, talk to me now

What's wrong, wrong with you  
Why don't you tell me what cha goin'  
through, darlin'  
What's wrong, wrong with you  
Why don't you tell me  
I can help you if you let me baby, yes I can

I understand, that you're only one man  
So much you can take, baby  
Yes I understand that you've only got two hands

Stare into space  
I see shadows of pain cross your face  
You avoid my advice, you avoid my embrace, baby

What's wrong, wrong with you  
Why don't you tell me what cha goin'  
through, darlin'  
What's wrong, wrong with you  
Why don't you tell me

I won't tell a single sould, my, my, my baby, yeah-uh  
No doubt about it, hm  
Let it go, ho-ho-, set it free, hee, hee, hee-baby  
Uh, I'd like to listen, huh, I'd like to listen, baby, huh

Tell me tell me everything, baby, babee-huh  
I will understand, I will understand, I promise baby  
Tell me now, tell me, huh, tell me  
Oww-hey-hey, hey, hey-eee  
I believe-hey-hey, baby  
God Almighty, baby, tell it all to me  
Don't cha hold nothin' in, baby, don't cha  
Hold it baby
