

# Anita Baker, You Can Reach Me

You can reach me by rail way  
You can reach me by trail way  
You can reach me on an airplane  
You can reach me with your mind

You can reach me by caravan  
cross the desert like a Arab man  
I don't care how you get here  
Just get here if you can

You can reach me by sail boat  
Find a tree swing rope to rope  
Take a sled and sly down slope  
Into these arms of mine

You can jump on a speed boat  
cross the border in a blaze of hope  
I don't care how you get here  
Just get here if you can

There are hills and mountains between us  
Always something to get over  
If I had my way surely you'd be closer  
I need you closer

There are hills and mountains between us  
Always something to get over  
If I had my way surely you'd be closer  
I need you closer

You can wind surf into my life  
Take me up on a carpet ride  
You can make it in a big balloon  
But you better get here soon

You can reach me by caravan  
cross the desert like a Arab man  
I don't care how you get here  
Just get here if you can

I need you right here right now  
I need you here by my side  
I don't care how you get here  
Just get here if you can
