

# Anita O'Day, I Cried For You

I cried for you  
Now it's your turn to cry over me  
Every road has a turning  
That's one thing that we're all learning  
I cried for you, ooh, what a fool  
What a fool I used to be  
Well, now I found two eyes just a little bit bluer  
I found a heart just a little bit truer  
I cried for you  
And now it's your turn, your turn  
I cried for you  
And now it's your turn to cry over me  
Every road has a turning  
That's one thing that we're all learning  
I, I cried for you, what a fool, what a fool  
What a fool I used to be  
But now I found two eyes just a little bit bluer  
I found a heart just a little bit truer

I cried, I cried for you, for you  
And now it's your turn, your turn  
Your turn, your turn  
I cried for you  
Now it's your turn to cry over me  
Every road must have a turning  
That's one thing that we're all learning  
I cried for you, what a fool, what a fool  
What a fool, what a fool I used to be  
Oh, but now I found two eyes just a little bit browner  
I found a heart a little bit [Incomprehensible]  
I cried for you  
And now it's your turn to cry, your turn to cry  
It's your turn, your turn, your turn, your turn, your turn  
It's your turn, it's your turn, it's your turn, it's your turn  
Your turn to cry now over me, oh yeah
