

# Anjali, Turquoise and Blue

Love, I said love, is turquoise and blue  
The color of you is turquoise and blue  
And it feels like this  
How, how can it show? 'Cause I tell you if I need you  
If hold you, I don't mind if I do  
And the voice is green and purple too  
And it feels like this  
Open, turquoise and blue, leads to you  
I follow, rain leads to my sorrow  
If I choose you  
I tell you if I need you  
I tell you if you need me too  
And the color of your love is  
Is turquoise and blue  
If I only, this love is purple only  
And turquoise and blue
