

Ann Beretta, Long Distance

Long distance last goodbye can't give it one last try it's all over
we didn't even cry all

I know is the world came between us and the love got left behind no news fals funeral half mast fl

I just called to say goodbye did you burn my pictures yet anything to try and forget it's all

I can do just to stay on the line...

we both know how hard it is for both of us to try and we both know how hard it is in richmond in july

I supposed to say?

how's the weather anyway? this time

I called to say goodbye

who'd thought it would end like this?

with out even a good bye kiss no one can say we didn't try.
