

Ann Lee, Looking For

You've never even thought of this
you feel a hunger in your soul
you said if you could miss me
miss me you'd be in love.

You think your heart is cold as ice
but there's a flame however small
and at the start the feeling's nice
and there's a name you call.

(gotta feel I'll find what I'm looking for
a feeling so fine what I'm looking for
sweet) I'll find what I'm looking for
your life's what I really want oh baby.

Sometimes it takes you by surprise
like in a dream when you're asleep
see your reflection baby
maybe it's you in love.

You think that you are frozen through
but as the ice begins to thaw
let's call it love that's born in you
and baby give me more
