

# Ann Lee, Top Of The World

On the top of the world  
We don't need no control  
Got the music and me  
I've got it into my soul  
So get ready to go  
Do you think of control  
Hear the music and  
Take it to the top of the world  
On the top of the world  
We don't need no control  
Got the music and me  
I've got it into my soul  
Now you're ready to go  
Crossing over to gold  
Feel the music and  
Take it to the top of the world  
On the top of the world  
See creation below  
Want you get up
