Ann-Margret, What Am I Supposed To Do

What am I supposed to do With the love I have for you? Am I supposed to let it live Until you're ready to forgive? Am I suppose to pretend Till you want me back again? What am I supposed to do Till then? How am I supposed to feel? Should I think that you love me still? Or am I supposed to act just Just like you're never coming back? Honey, am I supposed to be your friend? Oh, will we ever meet again? Darling, oh, darling What am I supposed to do till then? What am I supposed to say If by chance we meet someday? Am I supposed to talk a while Or turn my head and walk on by? This heartache can never end Till you're in my arms again What am I supposed to do till then? What'll I do till then?
