

Anna Abreu, Ivory Tower

I'll be here for you baby
Mmmm
I'll be here for you baby

Quero ver ya

I never knew it could feel so funny,
Like a gambling game when you got no money,
The stakes are high and I might just lose you,
I don't know why but I think that you do

I don't know, I don't know, I don't know was it mine or your mistake,
Let me see, let me see, let me see did I make you walk away,
Uptown, downtown, all around they're telling all kind of lies,
But I'm now and I'm here and I want you to open up your eyes

I'll be here for you baby,
Oh, can't you see I miss you so bad, I go crazy,
You could have it all, the beauty, the power,
If you just come and step down from your ivory tower

I'll be here for you baby,
Oh, can't you see I miss you so bad, I go crazy,
You could have it all, the beauty, the power,
If you just come and step down from your ivory tower

Eu pensei que foste tu que deixas-te,
Mas fui eu, e tu sempre me amas-te,
I guess I took you too much for granted,
And made you feel so alone and stranded

I don't know, I don't know, I don't know was it mine or your mistake,
Let me see, let me see, let me see did I make you walk away,
Uptown, downtown, all around they're telling all kind of lies,
But I'm now and I'm here and I want you to open up your eyes

I'll be here for you baby,
Oh, can't you see I miss you so bad, I go crazy,
You could have it all, the beauty, the power,
If you just come and step down from your ivory tower

I'll be here for you baby,
Oh, can't you see I miss you so bad, I go crazy,
You could have it all, the beauty, the power,
If you just come and step down from your ivory tower

I could use my magic potion,
But it might not make you stay,
I could talk too much to turn your head,
But you'd just walk away,
So instead I'm at your front door,
Making a fool out of myself,
When you open up and look me in the eye

No te podes defender

I'll be here for you baby,
Oh, can't you see I miss you so bad, I go crazy,
You could have it all, the beauty, the power,
If you just come and step down from your ivory tower

I'll be here for you baby,
Oh, can't you see I miss you so bad, I go crazy,
You could have it all, the beauty, the power,

If you just come and step down from your ivory tower

'Cause I'll never forget
