

# Anna Ternheim, When Tomorrow Comes

Underneath your dreamlit eyes  
Shades of sleep have driven you away.  
The moon is pale outside  
And you are far from here

Breathing shifts your careless head  
Untroubled by the chaos of our lives  
Another day, another night  
Has taken you again my dear

And you know that I'm gonna be the one  
Who'll be there  
When you need someone to depend upon  
When tomorrow comes

Last night while you were lying in my arms  
I was wondering where you were  
You know you looked just like a baby  
Fast asleep in this dangerous world

Every star was shining brightly  
Like a million years before  
We were feeling very small  
Underneath the universe

And you know that I'm gonna be the one  
Who'll be there  
When you need someone to depend upon  
When tomorrow comes

And you know that I'm gonna be the one  
Who'll be there  
When you need someone to depend upon  
When tomorrow comes  
When tomorrow comes  
When tomorrow comes  
Wait 'til tomorrow comes
