

Anna Tsuchiya, Rose

When I was darkness at that time
Furueteru kuchibiru
Heya no katasumi de I cry
Mogakeba mogaku hodo
Tsukisasaru kono kizu
Yabureta yakusoku hurt me
Nobody can save me
Kamisama hitotsu dake
Tomete saku you na my love
I need your love, I'm a broken rose.
Machiru kanashimi your song
Ibasho nai kodoku na my life
I need your love, I'm a broken rose.
Oh baby, help me from frozen pain
with your smile, your eyes, and sing me, just for me
I wanna need your love...
I'm a broken rose
I wanna need your love...
When you are with me at that time
Anata no kage wo oikakete
Hadashi de kakenuketestop me
Tozaseba tozasu hodo
Motsukete kono ai
Yuruyaka ni yasashikukiss me
Nobody can save me
Kogoeru bara no you ni
Yasashiku nemuritai, my tears
I need your love, I'm a broken rose.
Kareochiru kanashimi my soul
Kuzureteku kodoku na little girl
I need your love, I'm a broken rose.
Oh baby, help me from frozen pain
With your smile, your eyes, and sing me, just for me
I wanna need your love...
I'm a broken rose
I wanna need your love...
Nobody can help me...
Nobody can help me...
I'm a broken rose...
I need your love, I'm a broken rose.
Machiru kanashimi your song
Ibasho nai kodoku na my life
I need your love, I'm a broken rose.
Oh baby, help me from frozen pain
With your smile, your eyes, and sing me, just for me
I wanna need your love...
I was a broken rose
I wanna need your love...
