

# Anna Turska (Angie), You're My Life

Never thought I could touch you  
Even more I could wish for you  
but now you're dancing and stepping my feet  
we're caressing to the same beat

Coming closer waiting for your call  
I can't wait I need you more  
but you you're too busy to see my smile  
I think I'm gonna die

You're my life  
and I'm you're loving  
if I ever meet again  
realise that I'm your loving  
if we ever meet again  
O! O! O! O! O! O! Oh – oo! X4

Never thought I would kiss you  
even now my body wants it too  
but now other girl is licking down your neck  
softly scratching your back

Coming closer I can see your eyes  
I can't wait would be so nice  
you're too busy to see my smile  
I think I'm gonna die

You're my life  
and I'm you're loving  
if I ever meet again  
realise that I'm your loving  
if we ever meet again  
O! O! O! O! O! O! Oh – oo! X4

Coming closer I can see your eyes  
I can't wait would be so nice  
you're too busy to see my smile  
I think I'm gonna die

O! O! O! O! O! O! Oh – oo! X4

You're my life  
and I'm you're loving  
if I ever meet again  
realise that I'm your loving  
if we ever meet again x2
