## Anne-Marie, Ain't Nobody

Captured effortlessly
That's the way it was
Happened so naturally
I did not know it was love
The next thing I felt was you
Holding me close
What was I gonna do?
I let myself go

And now we're flyin' through the stars I hope this night will last forever

I've been waitin' for you
It's been so long
I knew just what I would do
When I heard your song
You filled my heart with your bliss
Ya gave me freedom
You knew I could not resist
I needed someone

And now we're flyin' through the stars I hope this night will last forever Oh oh oh oh

Ain't nobody Love me better Makes me happy Makes me feel this way Ain't nobody Love me better than you

I wait for night time to come
To bring you to me
I can't believe I'm the one
I was so lonely
I feel like no one could feel
I must be dreamin'
I want this dream to be real
I need this feelin'

I make my wish upon a star And hope this night will last forever Oh oh oh oh

Ain't nobody Love me better Makes me happy Makes me feel this way Ain't nobody Love me better than you

At first you put your arms around me And then you put your charms around me I can't resist this sweet surrender On a night so warm and tender

We stare into each other's eyes And what we see is no surprise Got a feeling most with treasure And a love so deep we cannot measure

Ain't nobody Love me better Makes me happy So happy Makes me feel this way Ain't nobody Love me better than you
