Anne-Marie, Can I Get Your Number

[Verse 1]
Don't know really what I'm looking for
And don't mind dancing here all on my own
But then I see you standing on the wall
Now all I want to is to get you all alone

[Pre-Chorus]
Tryin' my best to be honest
Don't wanna break any promise
But what if this shit is love?
Don't wanna start any carnage
Isn't it time to be modest
But what if this shit is love?

[Chorus]
Can I, can I get your number tonight? Uh-uh (yeah)
If I don't then I might regret it for the re-, the rest of my life
See I, see I got you feeling my vibe, uh-huh (no)
Gotta hurry and make a move, there's no time to be wasting time
Can I, can I get your
Ooh, ooh, ooh, ooh, ooh
Can I, can I get your
Ooh, ooh, ooh, ooh, ooh
Uh

[Verse 2]
Feel like I've seen you here before
Somethin' 'bout you make me feel at home
Don't take it slow, come give me what I want
And all I want to is to get you all alone

[Pre-Chorus]
I'm tryin' my best to be honest
Don't wanna break any promise
But what if this shit is love?
Don't wanna start any carnage
Isn't it time to be modest
But what if this shit is love?

[Chorus]
Can I, can I get your number tonight? Uh-uh
If I don't then I might regret it for the re-, the rest of my life
See I, see I got you feeling my vibe, uh-huh
Gotta hurry and make a move, there's no time to be wasting time
Can I, can I get your
Ooh, ooh, ooh, ooh, ooh
Can I, can I get your
Ooh, ooh, ooh, ooh, ooh
Yeah, mmm

[Bridge]
What you say when we're face to face?
I wanna see what the conversation do, uh, uh, uh, uh
Let's run away, no time to waste another day
'Cause I wanna be with you

[Chorus]
Can I, can I get your number tonight? Uh-uh (yeah, yeah)
If I don't then I might regret it for the re-, the rest of my life
See I, see I got you feeling my vibe, uh-huh (hey)
Gotta hurry and make a move, there's no time to be wasting time
Can I, can I get your number, nu-nu-nu-number?
Ooh, ooh, ooh, ooh, ooh
Can I, can I get your number, nu-nu-nu-number?

Ooh, ooh, ooh, ooh, ooh
Can I, can I get your number, nu-nu-nu-number?
Ooh, ooh, ooh, ooh, ooh
Can I, can I get your number, nu-nu-nu-number?
Ooh, ooh, ooh, ooh, ooh
