

Anne-Marie, Don't Be a Dick

Why don't everybody just be nice to each other
Instead of being a dick
Maybe try to compliment each other
Instead of chatting shit

Why don't you call him "my brother";
Say that she looks hotter
Than anybody you've ever seen
Just be nice to each other
Instead of being a dick
Instead of being a dick

Perhaps she lacks in confidence
Don't need to see your tweet
About her appearance
What do you know?
That's right, you don't
So go and get up, get out of here
Try to not to let it get to you

Some people don't realize what they saying hurts to
Hear me out cause I'm gonna say

Why don't everybody just be nice to each other
Instead of being a dick
Maybe try to compliment each other
Instead of chatting shit

Why don't you call him "my brother";
Say that she looks hotter
Than anybody you've ever seen
Just be nice to each other
Instead of being a dick
Instead of being a dick

He's not had a lot of girlfriends
And he don't get clothes in the latest trends
What makes you think you can just stick
Your head into his personal life
Move on, stay strong
Don't let it get to you

Some people don't realize what they saying hurts to
Hear me out cause I'm gonna say

Why don't everybody just be nice to each other
Instead of being a dick
Try to compliment each other
Instead of chatting shit

Call him "my brother";
Say that she looks hotter
Than anybody you've ever seen
Just be nice to each other
Instead of being a dick
Instead of being a dick
