

Anne-Marie, In Common x Don't Mind

She said "Hola, ¿Cómo estás?", she said "Konnichiwa";
She said "Pardon my French";, I said "Bonjour Madame";
Then she said "Sak pase"; and I said "N'ap boule";
No matter where I go, you know I love 'em all

She said "Hola, ¿Cómo estás?", she said "Konnichiwa";
She said "Pardon my French";, I said "Bonjour Madame";
Then she said "Sak pase"; and I said "N'ap boule";
No matter where I go, you know I love 'em all

Said I'd be home by five
But it's sunrise and I'm still in your bed
Goodnight usually means goodbye
Me, replaying memories in my head

Look at you, look at you
Look what you made me do
How do you, how do you think know my every move?
Who are you? Who are you? You look so familiar
I know you, I know you, baby, I know the truth

Then she said "Sak pase"; and I said "N'ap boule";
No matter where I go, you know I love 'em all

We used to talk 'til midnight
All those days that you stayed at my house
We were just passing the time
When we were young and we ain't had no vows

Look at you, look at you
Look what you made me do
How do you, how do you think know my every move?
Who are you? Who are you? You look so familiar
I know you, I know you, baby, I know the truth

We got way too much in common
If I'm being honest with you
We got way too much in common
Since I'm being honest with you

Who wants to love somebody like me?
You wanna love somebody like me?
If you could love somebody like me
You must be mystical too

Who wants to love somebody like me?
You wanna love somebody like me?
If you could love somebody like me
You must be messed up too
