

# Anne Murray, I Just Fall In Love Again

Dreamin', I must be dreamin'  
Or am I really lyin' here with you?  
Baby, you take me in your arms  
And though I'm wide awake, I know my dream is comin' true  
And oh, I just fall in love again  
Just one touch and then it happens every time  
There I go by, just fall in love again and when I do  
I can't help myself, I fall in love with you  
Magic, it must be magic  
The way I hold you when the night just seems to fly  
Easy for you to take me to a star  
Heaven is that moment when I look into your eyes  
And oh, I just fall in love again  
Just one touch and then it happens every time  
There I go by, just fall in love again and when I do  
I can't help myself, I fall in love with you  
Can't help myself, I fall in love with you
