

Anne Murray, I'll Never Fall In Love Again

What do you get when you fall in love
A guy with a pin to burst you bubble
That's what you get for all the trouble
I'll never fall in love again
I'll never fall in love again
What do you get when you kiss a guy
You get enough germs to catch a pneumonia
After you do, he'll never phone ya
I'll never fall in love again
I'll never fall in love again
Don't tell me what's all about
'Cause I been in there and I'm glad I'm out
Out of those chains, those chains that blind you
That is why I'm here to remind you
What do you get when you fall in love
You only get lies and pain and sorrow
So for at least until tomorrow
I'll never fall in love again
I'll never fall in love again
Don't tell me what's all about
'Cause I been in there and I'm glad I'm out
Out of those chains, those chains that blind you
That is why I'm here to remind you
What do you get when you fall in love
You only get lies and pain and sorrow
So for at least until tomorrow
I'll never fall in love again
I'll never fall in love again
I'll never fall in love again
