

# Anne Murray, There's Always A Goodbye

Ever since that first night  
When I gave my love to you  
Everything just seems so right  
You are my sunlight shining through  
And I've tried so not to let it show  
Yet it seems sad because I know  
No matter how hard I try  
No matter how hard I try  
It's always a goodbye  
You smile softly as you leave my bed  
And I tightly hold your hand  
You lean down to kiss my head  
But there's nothing to be said  
And if you say you want to stay  
I'd know you'd soon be on your way  
No matter how hard we try  
No matter how hard we try  
It's always a goodbye  
So here we stand, you and I  
You are too kind, I'm too shy  
To say what we really mean  
So we make life a masquerade  
Never showing all, only the parts we play  
No matter how hard we try  
No matter how hard we try  
It's always a goodbye  
It's always a goodbye  
No matter how hard we try  
No matter how hard we try  
No matter how hard we try
