

Anne Murray (With Dave Loggins), Nobody Loves

Like a candle burnin' bright, love is flowing in your eyes
A flame to light our way that burns brighter every day
Now I have you
Nobody loves me like you do
Like a leaf upon the wind, I could find no place to land
I dreamed the hours away, wondered every day
Do dreams come true?
Nobody loves me like you do
What if I never met you? Where would I be right now?
Funny how life just falls in place somehow
You touched my heart in places that I never even knew
Nobody loves me like you do

I was words without a tune, I was a song still unsung
A poem with no rhyme dancer out of time
But now there's you
Nobody loves me like you do
What if I never met you? Where would I be right now?
Funny how life just falls in place somehow
You touched my heart in places that I never even knew
Nobody loves me, nobody loves me
Nobody loves me like you do
Nobody loves me like you do
